Issue #100 - April 2010

Greetings!

The next issue will be about a week late in the mail as I'll be in Las Vegas with family. Hopefully I can dry off down there! Deadline will NOT change..the 24th (as 25th is on a Sunday).

You are looking at the 100th issue of Shore to Shore magazine! When I did the first issue 100 months ago I had no idea that a group of flyers inside a 60 cardstock cover circulated to 500 people would grow to this magazine! In fact, I began the magazine quite a few years before I had planned. Originally I was going to wait until I retired from my full time job three years ago and begin it. I knew I needed \$12,000 to produce my first few issues before it would generate income back to me. However, my husband encouraged me to not wait until retirement and go for it! So, I took his advice which is not often he'll tell you and here we are 100 issues later! So this issue really is dedicated to him for all his support and encouragement.

In 1980 when I first got into this business it was really ideal. There were 100's of adsheets. Many were co-published and there were some top notch tabloids. Over the years the tabloids died...many going to the

Internet which seemed to not flourish very well. Other tabloids the publishers died or got very ill. The adsheets seem have survived, but so many state huge circulation and yet no one has heard of them except those who placed an ad in them and got a checking copy!

Wish to thank everyone for voting in the 2009 G & B Records Popularity Poll! I made it to the number four spot which is very nice and I could not have done it without you. Again, thank you!

I'm back from San Diego where I attended the Russ von Hoelscher's 2010 seminar. I always enjoy hearing the different promotions some top dollar people give.

I placed an ad recently in an opportunity magazine that is sold on newsstands. It was a one inch display ad and cost \$120. Circulation is over 125,000. How many responses do think I received? It was for FREE information. Why not take a guess?! The closest guess wins a full page ad. Deadline for your guess is May 15th.

Received a phone call that a publisher in California has pretty much copied the cover of this magazine and ad rates including colors used on the cover. This same publisher has been calling me for advice as well as emails. They say it is a form of flattery when someone duplicates what you have created but I don't feel that way. However the real test is endurance in this

business and a royal following of customers. This business is desperately needs places to advertiser as we all know.

Every day you see where people have taken other people's ads and just stuck their address label on it. People who do this do not have a creative bone in their body or they are just plain lazy. (It's not the same when a prime source provides you with ads to promote their product or service.)

I found a couple of really excellent programs when I attended the 2010 seminar. One of them is a way to get a grant for your business or personal use. You send me LSASE for information and application.. If you choose to apply please be sure to give detailed information of why you need the grant.

The FTC has cracked down on businesses that tend to over state how much money you can make in any of the programs they promote.

I am only responsible for my own ads in this issue and any issues in the past and forward. Also think about your own finances and if the program does not makes sense to you ask questions of the monitor!

I'm very interested in which of my readers are online. I'm not asking for your email address, but if you could simply tell me on a postcard, email or when you send in an order. I'm going to be drawing some names for a free surprise for those

that do that for me. The deadline is May 15, 2010. Thanks so much!

For new folks in the business be sure you understand there is a bit difference in first class mail and standard mail (use to be called bulk rate mail). First class goes out fast while standard mail may take weeks to be delivered and that is the reason for cheaper prices when ordering print and mail from dealers.

Lately some fool has been sending out envelopes with a three cent stamp on them with no return address. Yes, it use to be the 2 cent scam. If you get a 41 cent postage due notice I suggest you don't pay for it. I don't know about you BUT I'd never order from some idiot who does this type of cheating!

Some may wonder why we seldom change the cover of Shore to Shore. The cost to have one designed and typeset is rather expensive and we try to keep our rates as low as we can so we have to cut corners where we can. We do intend on making some changes in the future. Just look on the editorial page for issue number and date so you know what issue you are seeing.

Thank you everyone who reads this issue as without you there would be no Shore to Shore magazine!

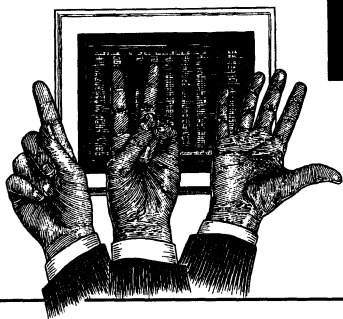

Until next issue,

Colleen H Kennedy

ISSUE 001

THREE Million Advertiser

Rates: \$3 per word, 10 word minimum • for box add \$10 • free bold headline
• name and address counts as 5 words • URL counts as 2 words
Visit us online: www.threemillionadvertiser.com; or mail words with payment to:

Victoria Ring, President, Graphico Publishing
1670 E Cheyenne Mountain Blvd, Suite F257
Colorado Springs, CO 80906

How it works:

1. Your ad is typeset on this circular in the **Top Position** with ads from other companies.
2. We start the process by advertising this circular in a major mail order publication with a minimum **5,000 circulation**.
3. Your ad is also **posted online** at www.threemillionadvertiser.com
4. Your ad is also **emailed to subscribers** of our email list. To be added to the list, visit: www.threemillionadvertiser.com
5. You are issued **five camera-ready masters** for your own print, mail and distribution.
6. The next advertising order Graphico Publishing receives will push your ad to the **Next Position**.
7. Your ad will continue rotating through all positions until you have achieved a minimum of **THREE MILLION circulation**.

Graphico Publishing monitors the rotation of your ads to ensure you receive the maximum circulation. When advertising in the **Three Million Advertiser**, make sure your address and contact information will not change in the near future because you could continue to receive orders for many years.

Graphico Publishing reserves the right to reject and return any ad at its own discretion. No adult ads.

Graphico Publishing was established on October 27, 1988 and is the original publisher and developer of Victoria's Reports and The Mail Order Dealer's Grapevine 1992-1996.

Here's how you can receive...

FREE POSTAGE STAMPS

...by Mailing this Simple Flyer!

Any Questions? Call: 1-888-563-5113 Ext. 4 (24 Hrs)

The STAMP I used to mail this letter to you was FREE... Sent to me in the mail!

Dear Friend,

Now you could receive hundreds, or even thousands of **FREE** stamps for all your Direct Mail Marketing, Mail-Order, MLM, or any other type of opportunity you promote through the mail. You know that your single greatest expense **BY FAR** is **POSTAGE**. Well, wouldn't you like to cut your single greatest out-of-pocket expense to being **FREE**?! What would that do for your bottom line? That'd be O.K., wouldn't it? Imagine, what would happen if you could mail out 500, 1,000, 3,000, etc.... of your mail pieces every month with **FREE** postage stamps? You know what would happen? Your profits will explode right through the roof!

HERE'S HOW IT WORKS!

First, your name or business name will be custom printed with your assigned I.D.# (below) on Position #4. Next, you insert this **AMAZING** flyer into all your mailings. By including this **AMAZING** flyer with your other offers, you are now giving people the choice to decide on your main offer, or they can choose to use this exact same flyer to receive **FREE POSTAGE STAMPS** to promote their business. See how this will Maximize your potential response? Let's assume you get a 2% response from your regular 500 piece mailing; that's 10 people. They each send you 20 first class stamps. That is 200 stamps. They are all in Position #4, and now you are in Position #3. They all insert this flyer in their main mailing of 500 pieces; that is 5,000 pieces, and they also receive a 2% response. This means another 100 are now involved, and they each send you 20 first class stamps. That is another 2,000 first class stamps! They are now put into the #4 Position, moving the previous 10 to Position #3, and you to the #2 spot. Now it gets good! Let's see, 100 people now mail out 500 pieces of this flyer in their mailings; that's 50,000 pieces, and they also receive a 2% response. This means another 1,000 are now involved and they each send you 20 first class stamps. That is 20,000 first class stamps. Each of the 1,000 people are now in Position #4, which moves you up from Position #2 to Position #1. Here comes your **BIG** bang of **FREE POSTAGE** stamps. Again, let's assume all 1,000 people include this flyer in their 500 piece mailings; that's 500,000 pieces, and they also receive a 2% response. This means another 10,000 people are now involved and they each send you 20 first class stamps. Now, I am warning you! Catch your breath! Because this just provided you a Whopping 200,000 first class stamps.

“TURN YOUR TALENT INTO DOLLARS!”

by Donnie Dixon, Talent Force Connection

If you want to learn “How To Turn Your Talent Into Online Dollars,” then keep reading and find out how!

How Your Talent Creates Online Opportunities!

Believe it nor not, everyone, everywhere has a specific talent to offer! Whether it be art, writing, drawing, graphic design, poetry, photography, songwriting, music and more. You have a unique role to play on the stage in today’s Internet marketplace... It’s your party!

Today’s most profitable online applications, programs services operate purely upon good ideas, thoughts and information! And you’re just at the right place in time to make it happen! The online and mobile information marketplaces are bursting at the seams looking for your talent and ideas to propel the market forward.

How Small Markets Create Huge Incomes!

Have you ever heard of NICHE markets? These are markets where your specific talents, knowledge and experience rules! The smaller the market, the more CLOUT you’ll have within that space. Much less competition means profits reach your hand quickly.

You can be the one that makes the most money!

NICHE markets are also much easier to target your keywords for! Keywords are what people type into Google when they are looking for information online.

Instead of them typing “Home Business” into search where there are millions of competing sites, they type” your long tail keyword “Turn My Talent Into Dollars!” You’ll surely have much less competition, you’ll rank higher in Google, and thus earn more online profits! All this is yours, working from the comfort of your very own home! NICHE markets REALLY ROCK!

How Do I Turn My Talents Into Online Profits?

People from all over the world need goods,

services, products and information! The internet has enabled more people in more places than at any other time in history to make money from your home computer!

Art, music, photography, consulting, coaching, poetry, web design, graphic design, tutoring, home study courses, MLM, health and wellness products, you name it, and it’s available on the web!

As society becomes more and more digitized and virtual, there will be a corresponding need for stronger human connections. People who can plug directly into the human spirit and create the bonds that linked us together—like days gone by when all there was were live humans to tend and cater to your every need, will become shining stars in a sea of blackness. Lack of human interaction can also lower response rates! Ever get on the phone to take care of a bill or need tech support and all you hear is an automated message?

Never before in history has there been such a need for sensitive, caring and connected people just like you!

And with tight budgets today, you can use your God given talents to STAND-OUT FROM THE CROWD... and show them who’s the BOSS! Use your unique gifts

to make online buyers feel comfortable, let them know you’re the expert and you can meet their expectations.

Today’s Top 10 Internet Marketing Opportunities!

B.Z. Toons

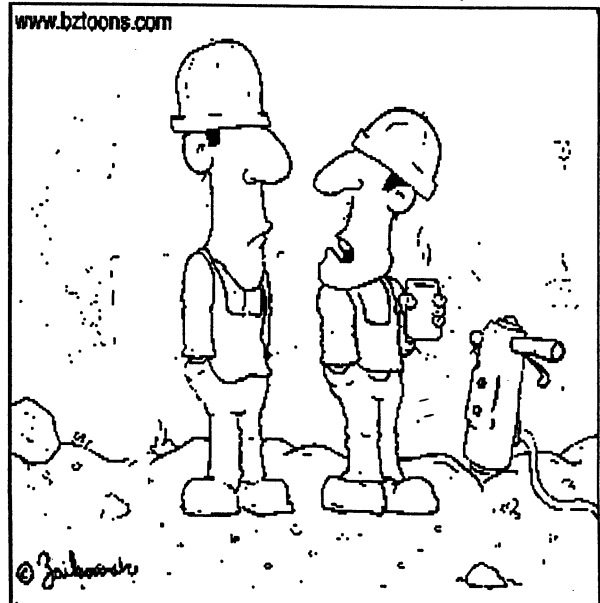

by Brian Zaikowski

Dude. Are you sure you didn't order a pizza?

B.Z. Toons

by Brian Zaikowski

We should probably look busy.
Here comes one of the "Big-Wigs"

Dear Fellow Money Seeker,

***THIS IS BIG!** In my opinion, this will soon be the **ONLY** program people will join! As it continues to grow eventually everyone who sees it, will get in!*

*Don't make the mistake I made. I didn't **READ page 1** of the enclosed program until several days had passed. After reading page 1, I quickly realized it's a sure way to make money! Now you have it in your hands, and believe me, after you read it you won't want to hesitate like I did!*

While you are reading this, people are joining!

If you take the time to read the enclosed People United page 1, it explains how you can make money just like other Group Members are doing.

*Why does it pay so well? Because people making money **ATTRACT people** who **WANT to make money!** Everyone who reads the program joins the group! It's spreading like wildfire! It keeps getting bigger and we get paid more and more! It seems like nearly everyone is joining the group, because the money keeps coming in! It's bringing in the kind of money we have dreamed of!*

*All we do is send the program out. **Those who read it, sign up** to become members! (Unless they don't understand. In that case, they should read it more carefully!)*

When others join with you, they will start making money for you. They will mail many more with your name on their flyer than you can do alone!

*We receive a copy of each response from DM Services when they forward our payments, so we have the names and addresses of those who sign up. Mailing to get 5 responses ensures that we make money, but because the response is so good, many of us continue mailing and get more than 5. That makes even **MORE** money for all of us.*

Enjoy your trips to the Bank!

Sincerely,

Colleen Kennedy

Most agree* **The People United Group**® has the answer!

*Because People MAKING Money ATTRACT others who **WANT to make money!***

Make Money (up to \$70,000+) with **"The Moneymakers Secrets"**

A **NEVER BEFORE PUBLISHED**, Special Report that every Home Business can use! ...

CONFIDENTIAL Methods Based on experiences of people who make money in the Home Mailing Business!

The Report alone is worth MUCH MORE than the price to join. It makes money! Page 1.

*MOST AGREE THAT WORKING TOGETHER IS THE ANSWER! Based on Introductory response rate.

THIS CAN CHANGE YOUR LIFE !!

➔➔➔ If you don't **READ THIS ENTIRE PAGE**, you could miss the chance of a lifetime!

THIS IS POWERFUL! Large numbers of people are merging together in this Group and it's creating a **HUGE** Multi Million Dollar Cash Stream that is being shared by those who join the Group! The word is spreading about the earnings. News of the money being made attracts even more people. The result is a continuous flow of New Members who bring more CASH to members of the Group! This continuous growth ensures that everyone who joins the Group makes money! This is your chance to get in on a sure thing!

Why Some Make Money & some do not?

A. Problem. When you join any other program, those you mail to choose from 100's of different programs. Each person selects the program they like. Even if you pick a good program, it **CAN'T WORK** because your program receives less than 2th of all money spread out among 100's of different plans! Little to pay you.

B. Solution: A large number of people have **LEARNED THE SECRET** and are joining a Group that pulls people (who were shopping other programs), into One Huge Group! The result is a constantly growing stream of new members who get paid by the never-ending volume of people who join the Group! By getting paid they attract more members! Everyone makes money!

THE BOTTOM LINE!

DON'T OVER ANALYZE IT. Just do what the people making money are already doing! Follow the money! It's not Rocket Science! Join the group and you can make money like members of People United are doing every day! That's why it works! In the Group, everyone Makes Money! Who can afford NOT to join?

REMEMBER: The only way people can obtain the "Moneymakers Secrets" is by joining The People United Group. When you offer the "Moneymakers Secrets" to others by mailing this flyer, the response rate is big because people **WANT** to make money! Think of the money you make! New people joining the Group make money too! **ENJOY** your trips to the mailbox!

Looking for a Retirement Plan? Members get paid again and again! Year After Year!

Each year in your 12th month of membership, DM Services sends a Renewal Notice. When you pay your renewal, you qualify to receive renewal payments from other members who joined after you. **NO** work required by you. DM Services forwards money paid by those who signed up after you that have your name on their flyer when they renew! They will pay you, because that's how they qualify to get paid! People United Group members pay one another because they have made money and can make more by renewing! When Members make more money, it attracts others who make money! More members = more money! Good News spreads! As it continues to grow, everyone will want to be in it!

Most of those reading this can see it's a sure moneymaker and are acting quickly to make money with the group. That's why it's growing so fast!

*NO Monitor Fee for early participants of this program. The monitor may be in on your flyer **BELOW** your name and receives payment the same as everyone. This does **NOT** affect your income because people who sign up with you, are in Position #1 and your name moves to #2 on their flyer. The monitor moves down also. **AFTER** the monitor moves from Position #5 off any flyer, those entering thereafter will pay a monitor fee.*

The People United Group

Don't miss the boat! Get in with others who are **MAKING MONEY!** ... **READ page 1 (reverse)!**
90% agree* that getting on board with the People United Group is the best move they ever made!

People are catching on! They are Making Money like never before!
The Power of People working together is Awesome! (See Page 1)

- ◆ **SPECIAL REPORT:** Receive a copy of a NEVER BEFORE PUBLISHED report: **"How the Moneymakers Do It"**
- ◆ **MORE RESPONSE:** The moderate price range of membership appeals to a larger number of people!
- ◆ **BIG BUCKS:** The People United Group attracts people who see members making money!
- ◆ **NO CHEATING:** All Payments are made payable to YOUR NAME only! Mailed each Wednesday by DM Services.
- ◆ **FREE WEBSITE:** Your own website with services and products people can purchase from your site!
- ◆ **PRINTING:** Wholesale Printing Service w/ Free Delivery. *Print* on COLOR paper for less than copying on white.

Eventually this will be the only program people will join! **The REASON** is on the Reverse!

How to start: (See **INSTRUCTIONS** to sign up below)

After you join, getting others to respond is EASY, because everyone wants to make money! Those who respond to your flyer get responses and your name is on their flyer. Several people will mail MANY, MANY MORE **THAN YOU CAN DO ALONE!**

* Based on Introductory survey (Earnings potential chart)

Mail this flyer until 5 people join. Each pays you a referral fee of \$20 = \$100	\$100
Your 5 people each mail until 5 join = 25 people each pay you \$20 = \$500	\$500
Those 25 each sign up 5 = 125 people who each pay \$20 to you..... = \$2,500	\$2,500
Those 125 people each get 5 = 625 people each pay \$20 to you = \$12,500	\$12,500
When those 625 each get 5 = 3125 people each pay \$20 to you..... = \$62,500	\$62,500
It adds up =	\$78,100

INSTRUCTIONS to Sign Up: MONEY ORDERS ONLY! NO Checks! Checks will be returned.

1. Fill out the Entry Form on the lower part of this page. (No Monitor fee. Monitor gets paid same as a member)
2. Make five \$20 Money Orders Payable to each of the **Names** in positions #1 #2, #3, #4 and #5 below (Total: \$100)
3. Send your completed Entry Form (below) with all money orders to DM Services at the address on the Entry Form.

The New "Partners for Profit" Money-Making System

**You Can Receive Up to \$11,392.85 ...
or More From a Mailing of Only 500!**

Dear Friend (if not now – soon!),

If you're searching for a fast, easy and simple method to receive multiple streams of money, this is for you! I've discovered the best way for you to make money for yourself, but not by yourself. Now you can enjoy every-increasing wealth thanks to the efforts of others who also are seeking more money.

For more than 30 years, yours truly, Russ von Hoelscher, has made it my business and vocation to research, discover and/or create powerful, proven, profitable money-making systems. The results have often been extremely lucrative for my customers and myself.

Now, I'm ready, willing, and anxious to help you make the kind of money you desire and deserve. The new **Partners For Profit Mailing System** can rapidly increase your income, with lots of help from others who make money for you at the same time they make money for themselves. That's what our new "Partners For Profit" (PFP) is all about. A system that creates big profits for everyone!

After hundreds of hours of research, tweaking, and testing, I have created what may be the fastest and easiest way to stay home and get paid thousands of dollars ... over and over and over again.

Introducing the 3-Step Automated Wealth Generator ...

PLATINUM PROFIT PROGRAM

-PLUS-

THE PARTNERS FOR PROFIT MAILING SYSTEM

I've combined the outstanding value of our powerful **PLATINUM PROFIT PROGRAM** with the cash-generating power of the **PARTNERS FOR PROFIT MAILING SYSTEM**. This dynamic duo can bring you multiple streams of MONEY! I've also chopped my income down to less than \$140.00 to keep the overall cost for you to jump on this profit bandwagon to less than \$300.00.

Before I reveal the exciting details, permit me to give you a thumbnail sketch on who is behind this new wealth-generator ...

The following info is not to brag about myself. I just want you to know that this letter goes from a money-making marketing professional, and not some untested "wanna-be" ...

I'm the author of over 50 books and manuals. Titles include: *Stay Home and Make Money; A Treasury of Business Opportunities; How to Achieve Total Success; Making Money for Yourself; How to Make a Fortune Selling Information* – with a total of three million copies in print.

I have also created blockbuster programs that have resulted in millions of dollars in sales ... *The Profit Ideas Book Distributorship ... How to Make a Fortune with 900 Numbers ... The \$2,500.00 Weekend ... The Self-Publishing Success Program ... The Real Estate Wealth-Building Course ... The New "Free Advertising Program"*, and many others.

I write copy that sells! I've written hundreds of powerful sales letters for my clients and myself. Many million copies of them have been mailed.

–Go to next page

My result-getting ads have appeared in hundreds of magazines. Everywhere from *Parade* (the national Sunday newspaper magazine) to the *Wall Street Journal*, and from *National Enquirer* to *Money-Making Opportunities* magazine.

O.K., enough about me. What's in it for you?

The new **PARTNERS FOR PROFIT PLATINUM PROGRAM** is designed to give you maximum profits in a minimum amount of time, and with a relatively small investment.

Recently, the hottest direct response trend has been multiple pay-out mailing programs. I have discovered the best way to capitalize on them and avoid all the mistakes most of these programs are making. More on that shortly ... First you'll see why mailing programs are so popular with so many people ...

Many opportunity seekers have not been successful in regular mail order. Ad costs are now very high, and you only get paid for sales you make. Several of these profit-seekers have turned to the worldwide Internet, hoping to cash in big.

Although the creation of the Internet is one of the watershed events of our lifetime, the success rate of Internet dealers is dismal. Yes, there have been wildly successful Internet sellers, but that's the exception not the rule. Most earn little or nothing, and that's the sad truth.

Disappointed with regular mail order, and unable to enjoy web-wealth, many have joined one or more multi-level opportunities. Soon these good folks often find it's not easy to sell vitamins, glop-in-a-jar, exotic fruit juices, or all the other over-priced, over-hyped products. MLM usually requires face-to-face selling. YUK! That's something most folks hate to do!

It's easy to see why so many people have turned to multiple pay-out mailing programs. They offer the remote-control money-making advantage of mail order, and the main advantage of MLM ... making money from the efforts of other people.

Here's the two major reasons why I firmly believe that the new **PFP PLATINUM PROFIT PROGRAM** is the very best, most exciting, and potentially most profitable of all the multiple pay-out mailing programs ...

- (1) **THE COMPENSATION PLAN.** To cash-in big with a mailing program you must be able to enjoy rich rewards from a relatively few initial sales. With my program, it's possible to receive many thousands of dollars with only 5 sales. Think about that ... only 5 initial sales can bring you multiple streams of income. I also refuse to engage in the outlandish response-hype so many are guilty of. We use a modest 1.0% response projection in our potential earning charts.
- (2) **THE MAIL PROGRAM MUST MEET LEGAL GUIDELINES.** This includes products or information representing real value at a fair market price. The buyer must also have the option to purchase without being required to participate in the compensation plan. No guarantees can be made in a projection of earnings chart, and everyone must understand that money received is subject to income tax.

Our program meets these legal guidelines. Most of the other mail programs do not. Many mailing, or "gifting programs" offer little or nothing of true value. Some offer a mailing list, but a list that used to simply keep the program going is NOT something of intrinsic value. Likewise, most of the mail programs out there, do not offer the option of making a purchase without participation in the compensation plan. A huge mistake.

We rigidly follow the expert counsel of one of the nation's best marketing attorneys.

Now, let me tell you about the real value that we offer ...

THE NEW "PARTNERS FOR PROFIT (PFP) MAILING SYSTEM

Here's where it gets exciting ... and profitable! Now we can combine the value of the Platinum Profit Program with our unique 3-level multiple-payout PFP mailing system. Best of all, big profits start with a simple initial mailing of only 500.

Look at the outstanding profit potential with just a 1% response thru 3 levels ...

LEVEL #1 You start in the 1st position. A 500 mailing that receives just a 1.0% response will give you 5 orders at \$29.95 each. Money to You: \$149.75

LEVEL #2 You now are moved to the 2nd position. Your 5 new "partners" each mail 500. A total of 2,500 mailed. With only a 1.0% response, you receive 25 at \$49.95 each. Money to You: \$1,248.75

LEVEL #3 You now are on the all important 3rd level. Here's where your profits can explode! When 25 "partners" mail 500 each, 12,500 are mailed. With a 1.0% response, you received 125 at \$79.95 each. Money to You: \$9,993.75

You have now completed the 3 mailing cycles.

TOTAL MONEY TO YOU: \$11,392.25!

The results in this chart require just a 1.0% response throughout the 3 complete mailing cycles. Best of all, with this response, you can receive \$11,392.25 from just one 500 mailing. Now keep in mind, results could be more or less. No specific amount can be guaranteed, but:

THE NUMBERS DON'T LIE

The income figures prove what is possible with just a one percent response thru 3 mail cycles. That's only one order per one hundred mailed. Many other mailing programs base their projection chart on a pumped-up response rate up to five percent or more. I believe this is nothing but pure hype. Don't be "honey-fuddled" by the unrealistic claims of the clueless or the charlatans!

By now you can see the unlimited money-making potential of this very unique, very powerful mailing program. With this best ever mail program you will be making money for yourself, but not by yourself.

Sincerely yours,

P.S. You'll never know how much money you can make unless you take positive action NOW!

THE POORMAN'S TICKET INTO THE WEALTH UNION

JOIN ON OUR CREDIT AND MERIT PLAN

So; you've read all about the wealth union program on the other side. You're excited about the opportunity. You can clearly see the huge potential for EZ money, and now you're very eager to join. **BUT** you're dead broke and can't possibly come up with \$400 right now. Well relax; because Dr. Glenn is dedicated to helping you poor and struggling people. So here's my proposition. The wealth union mailer/dealer program is designed for those with no money and/or the doubting Thomas's who want to prove it works before investing their hard earned money. That's OK – that's good – *just get in*. Register as a free **WEALTH UNION – MAILER DEALER**.

YOU WILL SOON BECOME A BELIEVER

Call and tell me whose name is in position #1 on the flyer you are responding to. I will send you a copy of that person's flyer with a code # on the bottom right corner. You send out the coded flyer in all your mail. You are now registered wealth union – mailer – dealer. As people join from your mailings you are credited \$25 for each member who sends a flyer with your code #. After just 4 entrees you have earned enough to cover the monitor's fees. We will then send you a new flyer with your name in position # 1 and you're set up to receive endless \$100 money orders. Now you're on the honor system and promise to pay the other 3 players from your future profits. This will be monitored to ensure everyone gets paid.

NOW PICK UP THE PHONE – GET IN THE GAME I KNOW YOU'LL DO VERY WELL

Every time you enroll other free members they're mailing your wealth union flyer for free – on their own time – at their own expense – making you steady money. That's the power of duplication.

To register as a free **WEALTH UNION – MAILER – DEALER** call now **781-834-7728 24/7**. You must leave the name of the person in position # 1 who sent you the flyer. Then slowly and clearly – spell out – your name – street – town and your phone #. I will send you a camera ready copy of their flyer with your personal code # on it, ready for you to just print and mail. Then very soon you'll be making big bucks as a wealth union member.

I also suggest you purchase my in-house names; they will make you money fast. See enclosed report **PROVEN BUYERS – BIG SPENDERS** – and order today.
Dr. Glenn 781-834-7728. Any Questions — Call now.

YOU CAN'T WIN – IF YOU DON'T PLAY

Totally Automated Gifting Program By GlennCo

THE WEALTH UNION

**A Gifting Program Where You Join – Get In Line – Sit Back – And Visualize
Your Potential \$110,000 To Arrive**

**WE DO MOST, THE MAILING AND PROMOTING FREE
WE PRINT + MAIL 3000 – 100,000 FLYERS FREE
FOR EACH MEMBER. *Here's How* —**

Each new member gets 1000 flyers mailed for them in position #1. When the next person joins he/she gets 1000 flyers mailed free also. With your name in position #2, you also get another 1000 flyers sent. The next person joins, and they get 1000 flyers mailed free. With your name in position #3 you get another 1000 mailed also. That's 3000 flyers mailed out free with your name in position 1+2+3. After that you can recycle again.

IT'S NOT THE COST OF JOINING – BUT THE COST OF PROMOTING – THAT CAUSES MOST TO FAIL – THAT DOESN'T HAPPEN HERE.

For example let's say you get a 1% response from your 1st 1000 flyers mailed. That's 10 people who join under you. You get 10 x \$100 Money Orders (\$1000.00). Then let's say they get a 1% response – you make \$10,000. Again with a 1% response on your 3rd level you make an amazing \$100,000.

***THAT'S THE 1% POWER POTENTIAL – YOU MAKE \$111,000
AND YOU NEVER MAILED OUT A THING.***

GUARANTEED CHEAT PROOF SYSTEM - NO ONE LOSES – EVERYONE WINS

The monitor will call each member to make sure they've all been paid before we enroll you and begin your 1st 1000 piece mailings.

***THIS IS A LIMITED OFFER - DON'T WAIT – JOIN NOW –
ANY QUESTIONS CALL (24 – 7) 781-834-7728***

Dr. Glenn

***OK – YOU'RE IN – NOW SEND \$100 MONEY ORDERS – WITH YOUR PHONE #
AND A COPY OF THIS FLYER – TO EACH PLAYER AND THE MONITOR.***

Now you're on your way to making Big Money automatically – for years to come.

SEND \$100 to: MONITOR – GLENNCO – POB 878 – BROCKTON, MA 02303

#1 – Send \$100 to Parks Cornelius – 311 Camino Real Rd, Mooresville, NC 28117

#2 – Send \$100 to Elaine Fah – 42 Telegraph Hill Road, Marshfield, MA 02050

#3 – Send \$100 to Emmitt Burns, 8859 N. Crest Lane, St. Louis, MO 63147

All enrollees get camera ready copies of this flyer with your name in position #1 so you can hand out to friends and associates. Always include a copy in all your outgoing mail for greater wealth.

REMEMBER: YOU CAN'T WIN IF YOU DON'T PLAY

**GOOD NEWS AND GLAD TIDINGS
FROM PARTNERS AND WEALTH**

Dear Fellow Wealth Seeker,

I'm about to make You an offer that could only be turned down, or ignored, by those who have all the money they will ever need, and are financially secure. If You are in that category, **YOU NEED NOT READ ANY FURTHER**, I can't help You.

But, what if I tell You that within the next 10 – 20 days 3 Gifting Partners will be in line to Gift \$100 Each to You on Phase 1 and 2 of our Cycle 1 program. This would **JUMP-START** You to a \$4,800 **CASH FLOW** within 7-10 days! A number of our Partners are heading in that direction at this very moment.

You may have missed out on this opportunity previously, but here's Your second chance. You make no Gifts until 3 Partners are in line to Gift \$100 each to You on phases 1 and 2 of Cycle 1.

To sweeten the pot, I the Monitor will provide you with a \$100 Bonus! Thus, You will be off to a \$700 BLAST-OFF and on Your way to a \$4,800 CASH-FLOW WITHIN 7-10 DAYS!!

Friend, if financial Enrichment is Your goal, I invite You to check "YES" to this offer, and join those who are on their way to a \$4,800 **CASH-FLOW!**

PLEASE PRINT CLEARLY

Yes, I'm willing to Gift \$100 to a fellow Partner.

Yes, I understand, I don't Gift until I'm informed that 3 Partners are in line to Gift to Me.

10 WAYS TO BUILD TRUST AND YOUR BUSINESS

By Charlie Cook

You wouldn't buy a car if you didn't think it could get you home. And you wouldn't purchase it from a dealer you thought was robbing you blind on the price and might not stand behind it if the engine fell out as you drove it off the lot. Before making a purchase from you, buyers need to trust that your products and services will do what they are supposed to. Does your marketing help establish the trust necessary to convince prospects to buy from you? If you're struggling to attract clients and customers, use the following tactics to convert prospects to clients.

1. **GET TESTIMONIALS** No matter how great your credentials are or how much experience you've had, people pay more attention to what OTHERS have to say about you. Pick up the phone and call your customers to ask what they thought of your product or service, what they liked about it and how it was helpful. Edit their comments, get their permission to use the comments and then feature these testimonials in your marketing materials.
- 2.

USE ARTICLES INSTEAD OF ADS We have come to distrust ads and to believe what we read in published articles. Invest your time in writing articles to establish yourself as an expert. If you run ads, include testimonials in them.- 3. **GIVE SOMETHING AWAY** When you give something to people, regardless of the cost, they are more likely to trust you and return the favor by buying something from you. Use an ebook, article, workshop or free demonstration to build trust.
- 4. **GET REFERRALS** When you need a new doctor, lawyer, plumber, carpenter or a place to eat you ask a friend for a referral. You trust the recommendations of people you know, and in fact, that's how the majority of people find jobs. Don't wait for the occasional referral to come in spontaneously; implement a proactive system to generate referrals.
- 5. **EXCHANGE ENDORSEMENTS** Team up with a business you trust that also targets your market. Get them to include an endorsement of your products and services in their marketing and do the same for them. While a personal referral is ideal, an endorsement is a close second. This tactic can

double your marketing reach at zero cost.- 6. **GIVE EXAMPLES** Tell a story instead of making impersonal and dramatic claims of what you or your product does. Use case studies to tell what you did for whom and the difference it made in their life or their business.
- 7. **PERSONALIZE YOUR MARKETING** Its a common misperception that to sound credible your marketing should be dry and impersonal. People do business with people. You need to help prospects get to know you and trust you. Let your passion and personality come across in your marketing as well as your professionalism. Include a picture of yourself, with a smile, in a prominent place on the first page of your marketing materials.
- 8. **REDUCE PERCEIVED RISK** Buyers' biggest concern is how well your product or service will perform. Providing a guarantee may help, but in most cases its not going to make the sale. Clarify the value you provide and state your commitment to seeing that your clients are not only happy, but ecstatic about your product and services.
- 9. **MAKE CONTACT EASY** If you want clients to get in touch with

ALL PEOPLE IN MAIL ORDER ARE INVITED TO JOIN US:

Children's Charities Advertising Club⁽¹⁶⁾

If you are in the Mail Order Business in one form or another, whether you think of it this way or not, you are an "Advertiser". Our CCA Club is an independent group of private citizens, not affiliated with the following two children's charities, but we have chosen to use our business talents to be a fund raising advertising group of people for them. And of course, like everything in this world, that takes money. The reasons we have chosen the following two charities is because they are renowned throughout the USA and the world as being impeccably honest, trustworthy, and doing some of the best work of helping children and families in great need. We support them with our prayers and money, but we all know, that we have to spend money to make money, so we have developed a business plan to help these charities:

Feed The Children, and St. Jude Children's Research Hospital

How to join us: Purchase 7 \$20 USPS Money Orders only at a US Post Office. Make the first two payable to the two charities above from your name & address so you will receive two tax deductible receipts. Then make 5 non-charitable money orders payable to the 5 advertisers named below including the Monitor. USPS MO's are cheat-proof by law and this keeps our program honest.

Colleen Kennedy⁽¹⁶⁾ P.Y.White⁽⁰⁶⁾ V.White⁽⁰⁷⁾ Label Lady⁽⁰¹⁾
Ad-It-Up!, (Forwarding Monitor), Box 1837, Berlin,MD 21811-1837

Send all to our club's Monitor above who will forward the two money orders to the charities & request receipts for you, & will send the other 5 advertisers the other money orders for their costly advertising efforts. For joining us you will receive a C/R advertising copy of this letter listing you as a member in a rotating money making position. Be a Good \$\$\$Making Samaritan! Just advertise it!

New Breakthrough Marketing Technology For 2009!

Got A Website? Our Web-To-Phone Technology Will Quickly, Deliver Your 20 Word Ads To The Cell Phones Of Over 135,000 People, Dirt Cheap! All These People Opted-In To Receive These Text Messages And Are Eagerly Waiting To Buy From YOU!!

Be First To Use This Brand New Marketing Technique While It's Still Brand New, Effective, And Before Your Competition Finds Out! Text message marketing is delivered directly to the consumers cell phones, and is an **incredibly fast, low cost, and effective** way to reach a hungry virgin market with your opportunity offers!

Big corporations have been using this type of super targeted marketing for the last few years to increase their revenues to record levels! Only they could afford to shell out the big bucks required to have these type of software programs developed and maintained for them, leaving the 'little guys' out of the game... until now! ***This is the entrepreneurs newest and quite possibly most effective way to drive sales today!...***

We have gone to great length to obtain 135,000+ cell phone numbers from people who actually want to receive text messages from people offering products and services for sale in many categories. The options are endless as you can advertise almost anything you like. The beauty of our system is that your ad is **100% guaranteed to be seen by everyone who receives your message!**

Our goal is to continually add more and more phone numbers to the database to improve your visibility over time. We are on the forefront by being one of the first, if

not the first, to offer this type of advertising for a price so affordable that anyone can utilize it.

We use SMS which is a text-based "Short Messaging Service" that allows mobile phones to support packet-based text messaging. While we can't send economically or practically to all 2.5 billion cell phones on the planet, we have amassed over **135,000 opt-in's** and that's a pretty hefty number for a new service like ours!

Your advert will be converted by our system into a text message and will be sent, via our service to all of the cell phones that you choose within our choice of targeted categories. If you like, you can send to all the categories at once. Your ad will appear as a text message on their cell phones from between 30 minutes to 6 hours depending on air traffic and other factors.

We Send To These Carriers & We Add More Numbers Every Month: • Alltel® • Cingular® • T-Mobile® • AT&T Wireless® • Nextel® • Cellular One® • Virgin Mobile® • Boost Mobile® • Sprint PCS® • MCI® • Qwest® • Verizon®

Whether you are a marketing professional or a newcomer, **IT PAYS** to try new things to get your message out and our program is undoubtedly the **newest** concept to come along in a very long time. We believe our service will open new doors not before available to internet marketing for the masses! So go

I'd be crazy not to try it! I want to experience the results this new amazing Web-To-Phone technology can potentially bring my business! I understand I'll receive a confirmation copy(s) in the mail after ad text completion + dealership for this service! **Only \$20 per category per text ad campaign.** Maximum 20 words including website address. FAITH, TRUST, AND VISION

In George S. Clason's book, *The Richest Man in Babylon*, he writes about the 5 laws of gold.

The first law of gold. Gold cometh gladly and in increasing quantity to any man who will put by not less than one-tenth of his earnings to create an estate for his future and that of his family.

The second law of gold. Gold laboreth diligently and contentedly for the wise owner who finds for it profitable employment, multiplying even as the flocks of the field.

The third law of gold. Gold clingeth to the protection of the cautious owner who invests it under the advice of men wise in its handling.

The fourth law of gold. Gold slippeth away from the man who invests it in businesses or purposes with which he is not familiar or which are not approved by those skilled in its keep.

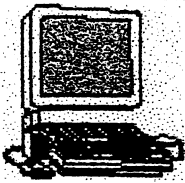

The fifth law of gold. Gold flees the man who would force it to impossible earnings or who followeth the alluring advice of tricksters and schemers or who trusts it to his own inexperience and romantic desires in investments.

In addition Mr. Clason gives seven cures for a lean purse. 1. Save 10% of your income. 2. Create a budget. 3. Invest and use the magic of compound interest. 4. Invest only where thy principal is safe, secure the advice of those experienced in the profitable handling of gold. 5. Every man own the roof that sheltereth him and his. 6. Insure future income, provide in advance for the needs of thy growing age and the protection of thy family. 7. Increase thy ability to earn, cultivate thy own powers to study and become wiser, to become more skillful, to so act as to respect thyself.

Dear friends let me share some facts with you: \$ Most Americans retire in poverty, \$ Ninety per cent of Americans live paycheck to paycheck, \$ The average 50 year-old has only \$2,300.00 in savings, \$ 80% of bankruptcies could have been avoided if the household income increased by just \$280 per month, \$ 80% of people making over \$50,000 per year own their own business, \$ Tax laws are designed to provide benefits to business owners, NOT their employees, \$ Over 80% of workforce over 35 realize that their present job will not lead them to financial independence.

If you are Suffering from Pain and Inflammation We have a Gift for You!

"It is a Pay-It-Forward Gift...because my husband Charles has been given his life back due to a sweet natural cactus fruit juice that can eliminate pain and inflammation," Kare

Kare and Charles Possick

A year ago...my husband, Charles, was in such severe pain he could barely walk. With arthritis and spinal stenosis in his neck and low back, severe edema in his feet, and other degenerative conditions...at 68 his health was failing fast.

I retired to take care of him...and to search for natural answers to reverse his pain and degeneration. Today - Charles is pain free and healthier than he's been in 15 years!

Why? I found a simple natural answer. A sweet elixir from the heart of the Sonoran Desert. A gift from Mother Nature.

Let me share with you what I've learned in my search for a natural solution...and why I'm personally offering you a free gift to try for yourself...to see if the answer to our prayers... is an answer for you as well.

Inflammation is at the root of all pain and degenerative disease including arthritis, fibromyalgia, diabetes, allergies, asthma, lupus, digestive disorders, depression, heart disease, sleep disorders, high blood pressure, alzheimers, ageing and more. Inflammation can be caused by stress, physical and emotional traumas, toxins, pathogens (virus, bacteria...), chemicals and drugs. Inflammation can affect any tissue in our bodies from the vital organs of our brain or heart or liver to muscles and joints and nerves.

Chronic Inflammation-- The Cause of Pain and Disease

Chronic inflammation was responsible for all my husband's problems. I have always believed that for every physical problem, there is a plant that can help solve it. My clear intention was to find that natural solution for Charles. I did and I'll share that secret with you now...it is a simple cactus fruit from a very special location with a very rare ingredient.

The nopal cactus fruit grown in the hottest and most extreme climate on the planet has created a natural defense to survive its extreme location...and its defense is our major miracle.

Nopal Cactus Fruit

Shaman and Medicine Women from the Southwest have known for centuries to use the fruit from this cactus for inflammation. Now over 300 medical research studies have proven that a very rare protein-based antioxidant in the fruit...called a Betalain...is what is so very effective in reducing pain and inflammation. It also stimulates stem cell regeneration!

Betalains --

The Answer to Pain and Inflammation

Carried on the high frequency magenta pigment, all 24 of these rare anti-inflammatory Betalains are found in the fruit of this special cactus from the Sonoran Desert! Betalains target inflamed tissue and release and flush the waters which have collected the toxins, dead cells, pathogens, old drugs and chemicals...the waters which cause the pain, degeneration and eventually disease.

We were lucky enough to begin drinking this sweet amazing juice when it was first introduced into the market place less than a year ago...by a company with the consciousness to cold press rather than pasteurize this precious juice to keep the enzymes and nutrients vital and to bottle it in a nitrogen environment so that no preservatives have to be used!

Pain Free in 5 Days!

Within 5 days of drinking the juice...Charles came to me, pulled up his pantleg and said, "Look, I can see my ankle bones!" With so much edema in his feet, we hadn't seen his ankle bones in years! A few days after that his back and neck pain had gone away--after 15 years of suffering!

We had purchased 2 cases of juice to try--so we began gifting a few of our bottles to friends who also had pain and degeneration...and they all began feeling better! A few weeks later while sitting in church, Charles received a message to start a Pay-It-Forward Program to educate others about the causes pain and inflammation...and the delicious natural solution we had found.

I made a little video to e-mail our story to friends...asking them to watch the video at www.KaresCactusJuice.com and call me if they had pain and wanted to try the juice. We have gifted more than 3,600 bottles of juice to people who have watched my video and agreed to become educated about inflammation. Most of them have continued to drink it and are relieved of symptoms of inflammation and premature ageing...and are educating their friends about it as well!

I know now - that this juice is not only an answer to our prayers for Charles' pain and degeneration...it is our answer for longer, healthier, happier lives. And it may very well be the answer you have been looking for, too!

HIGH ROLLERS!

WARNING: THIS PROGRAM "IS NOT" FOR WIMPS!!!

Are you tired of spending your hard earned money trying mail-order program after program, thinking... "This will be the one?!"...Wondering..."Why are some people making SO MUCH IN MAIL ORDER...and I Haven't seen a dime?!"

FACT: With the high cost of printing and postage, **YOU CAN'T MAKE MONEY IN MAIL ORDER WITH NICKEL AND DIME PROGRAMS!!!** Statistics show that the average person will **LOSE** Money in Mail-order! Why, you ask? **Because they Don't use the math,** and they Don't Have The Money to Make The Numbers Work! Let's Take a Look...**Let's say you have a program that will bring you \$5.00 every time some one buys it.**

You Invest your Hard Earned Money and:

- Make 1000 Copies: About: \$ 40.00
- Buy 1000 Stamps: \$440.00
- Buy 1000 Envelopes: About: \$ 30.00
- Buy 1000 Mailing labels: About: \$ 70.00

YOU JUST SPENT: \$580.00

(And this **DOES NOT** include Your Time and Labor!)

Now, let's say you get a **4% Response Rate.** (Not Bad.) That means you would get 40 Orders. 40 Orders x \$5.00 = \$200.00. **(Congratulations...you just Lost \$380.00)**

SO...WHAT'S THE ANSWER?!?

You hold the Answer in your hands, My Friend! Let's use the above figures, only this Time With a Program that Brings in \$25.00 Each Time: \$25.00 x 40 Responses = \$1000 (You Just Made \$420.00!)

NOW HERE'S THE FUN PART

Let's say the next time the program goes out, You Make \$50.00 per Response...50.00 x 40 = \$2000.00! (and IT'S ALL PROFIT - YOU HAD "NO" MAILING EXPENSES)(This will be explained, later.)

AND WHAT IF...

The next time the program went out...**YOU MADE \$75.00 per Response** - That's \$3000.00! (And you still had **NO MAILING EXPENSES!**)

NOW, LET'S REALLY HAVE SOME FUN...

WHAT IF YOUR PROGRAM WAS BEING PRINTED AND MAILED FOR YOU TO 100,000?!?
WHAT KIND OF MONEY COULD YOU MAKE, THEN????!!!

100,000 CIRCULATION FREE! over

HOW DOES THIS WORK?...

You Join HIGH ROLLERS Your Name is Placed in Position #1. "100,000" copies are PRINTED AND MAILED FOR YOU to Opportunity seekers all over the world. Let's assume you only get a 1% Response Rate (very low!)...1% of 100,000 = 1000 Orders, 1000 x \$25.00 = \$25,000.00! Now, Your Name Moves to Position #2. (Bringing you \$50.00 per Order!) The 1000 people that responded to your ad have 100,000 Copies being Printed and Mailed for them...Thus, 100 MILLION COPIES ARE PRINTED AND MAILED WITH YOU IN POS #2!!! AND...WELL, DO WE EVEN NEED TO TALK ABOUT THE NUMBERS AND MONEY WHEN YOU REACH POSITION #3. (When you move to \$75.00 per Order)??

As You can See...

THE AMOUNT OF EXPOSURE & AMOUNT OF MONEY YOU CAN MAKE IS PHENOMENAL!

This program is HOT! People LOVE the potential! If you truly want to be a HEAVY HITTER...Don't Sit Back & Wait on the Bulk Mail to pay off. (Heck, that's already Money You Know is Coming!) Make some Copies and Mail Them Out...Get yourself "High Rolling!" (The more folks that Join with YOU in Position #1. The More Exposure You will Have in Position #2, & 3...and You Won't Have to Lift a Finger!)

HIGH ROLLERS is 100% Cheat-Proof, as all Money is Mailed to the Monitor. MONEY INDEX NET Prides itself on the Fact that ALL MONEY IS MAILED TO THE PARTICIPANTS THE DAY WE RECEIVE IT! (No waiting till the end of the month!) You will also receive the Name & Address of the People sending you the "Gifts" for introducing them to "HIGH ROLLERS", along with the Position # you were in at the time each gift was given. (Oh, Yeah, this is legal...as gifts totaling less than \$10,000 from any one person are Nontaxable & Non Reportable...and your gifts are only \$25 to \$75, from each Person!...The fact you may get Millions of Gifts is irrelevant!)

- HERE'S WHAT YOU DO:**
1. Enclose \$25, for the person in Pos #1.
 2. Enclose \$50, for the person in Pos #2.
 3. Enclose \$75, for the person in Pos #3.
 4. Enclose \$100.00 for MONEY INDEX NET for Monitoring and Printing & mailing.
 5. Fill out the form to the Right.
 6. Mail all of the above to : Money Index Net, P.O. Box 2044, Mansfield, TX 76063

Note: No Cash, Send Checks And Money Orders Only.

HURRY!!! GET YOUR ORDER IN. AND START HIGH ROLLING!!!

HOTLINE MAILING LIST INCOME OPPORTUNITY BUYERS FRESH, EAGER, AND RESPONSIVE!

If you use the mail to reach Opportunity Seekers, this powerful computerized mailing list of OPPORTUNITY BUYERS is "money in the bank" for you! The list you use is vital to your direct mail success, and the HOTLINE MAILING LIST is fresh (no names over 90 days old, many only a few days old!), very responsive (these people are buyers, not mere curiosity seekers!).

We're serious about getting results for our clients. Use these names to quickly increase your mail order business. A test of 500, 1,000, 2,500 or more names will convince you, and you'll be back for more. We can supply you with up to 30,000 buyer's names and addresses over any 90-day period.

DON'T WASTE YOUR TIME AND MONEY ON "CHEAP LISTS"

Sure, you can obtain names for less. But "Cheap names" almost always do not pull. They are usually old and overworked. Our names are buyer's names! Fresh, responsive, and eager to take advantage of all types of good money-making offers! A test will prove it to you! These names attract orders just like steel is attracted to a magnet!

THE HOTLINE MAILING LIST

QUESTIONS AND ANSWERS

Here are some often-asked questions and answers concerning our business-building Hotline "Mailing Lists"

- Q. Why do you call these names "Opportunity Buyers?"**
- A.** We feel there is an important money-making difference between a 'seeker' and a 'buyer'. Every name on the Hotline List is a person who has recently sent money by mail for a money-making plan, book, etc., proving they are mail order responsive. These people are not idle curiosity seekers who request free details. These people quickly spend money on any offer that appeals to them.
- Q. I have seen mailing lists advertised less than your fees. Why are your names better?**
- A.** This list is tops because these names are (A) all buyers' names, and (B) they all are very recent. Almost all cheap lists are old, overworked, or non-buyers. There is a difference. Test our names, you'll be back for more. Nearly 80% of our list customers repeat again and again! In other words . . . our names get results!!
- Q. Am I renting these names for one time use?**
- A.** We give you the option of one-time use, or if you wish to pay more you can get names for unlimited personal use. The choice is yours.
- Q. If I test 500, 1,000, 2,500 or more names and my results are as good as you predict, can I reorder without getting duplicates?**
- A.** Yes! Any time you order less than 30,000, we keep track of the names we send, so that you can reorder and get new names. You can order up to 30,000 names during any 90-day period, up to 100,000 names in a year. We actually have much greater numbers of names available, but we rotate names between our list customers so that they never become overworked.
- Q. How can I be sure no other dealer will be sending the same offers to the names I will be receiving and mailing to?**
- A.** Since we rotate our fresh names, it's unlikely this would happen. However, if you choose to, you may send us a sample of your offer at the same time you place your order.
- Q. What is the source of the Hotline Mailing List?**
- A.** These fresh opportunity buyer names come from our own money-making offers and original order letters that we purchase from other mail order concerns. We do acquire names from other concerns, but only original orders, less than ten weeks old, for which we will pay a premium price, up to \$300.00 per 1,000 names, the best of the best.
- Q. What type of offers will these names work best for?**
- A.** All types of business opportunities, opportunity books and plans, good multi-level offers, and any offer that can help a person earn more money.

Totally Automated Gifting Program By GlennCo

THE WEALTH UNION

**A Gifting Program Where You Join – Get In Line – Sit Back – And Visualize
Your Potential \$110,000 To Arrive**

WE DO MOST, THE MAILING AND PROMOTING FREE

WE PRINT + MAIL 3000 – 100,000 FLYERS FREE

FOR EACH MEMBER. *Here's How ---*

Each new member gets 1000 flyers mailed for them in position #1. When the next person joins he/she gets 1000 flyers mailed free also. With your name in position #2, you also get another 1000 flyers sent. The next person joins, and they get 1000 flyers mailed free. With your name in position #3 you get another 1000 mailed also. That's 3000 flyers mailed out free with your name in position 1+2+3. After that you can recycle again.

IT'S NOT THE COST OF JOINING – BUT THE COST OF PROMOTING – THAT CAUSES MOST TO FAIL – THAT DOESN'T HAPPEN HERE.

For example let's say you get a 1% response from your 1st 1000 flyers mailed. That's 10 people who join under you. You get 10 x \$100 Money Orders (\$1000.00). Then let's say they get a 1% response – you make \$10,000. Again with a 1% response on your 3rd level you make an amazing \$100,000.

THAT'S THE 1% POWER POTENTIAL – YOU MAKE \$111,000

AND YOU NEVER MAILED OUT A THING.

GUARANTEED CHEAT PROOF SYSTEM - NO ONE LOSES – EVERYONE WINS

The monitor will call each member to make sure they've all been paid before we enroll you and begin your 1st 1000 piece mailings.

On New Year's Day, 1914, a fellow called Tony Janus started the world's first passenger-carrying airline when he flew from St. Petersburg, Florida, to Tampa, just 19 miles across Tampa Bay. Since the plane, a flying boat, flew only 15 feet above the water, his only fare-paying passenger got a real bird's eye view of the bay! That passenger was prominent citizen of the area, George Gandy. Today there is a bridge named after him across Tampa Bay, which raises the inevitable question: did Mr. Gandy really enjoy his flight?

SELF-IMPROVEMENT

A DAILY ACTIVITY

Improving yourself isn't a once in awhile proposition, but an everyday activity. Your mind, body and spirit must be cultivated every single day of your life. Never take a day off from improving your current condition. Exercise, study, read, pray, use your mind creatively to better your current condition. There's always room for improvement, work on your weakest areas first, whether it's mind, body or spirit. Take the time to look at where you are and work on those areas that need improvement. You'll soon find that you are making tremendous progress.

KIDNEY HEALTH

Kidneys filter waste out of the blood while keeping the beneficial things in the body. Over time, high blood sugar impacts the kidneys' ability to filter well.

Kidney disease caused by diabetes is called nephropathy. One of the early signs of kidney damage is when a protein called albumin passes into the urine. Your doctor should check your urine at least once a year. This test is called micro-albumin.

Yes it does cost more to **Fly First Class**, but it is money well spent in ease and comfort while you travel. Roomy seats, first on and first off a crowded plane, better service, and better treatment by the airline staff. *10 AMAZING Ways to increase the Power and Boost
Your Response with Copy Doodles™*

By Michael M. Capuzzi

"Copy Doodles is one of the best investments I've made in my marketing arsenal in a long time. Being able to customize my sales letters and make them look individually personalized for my prospects is a HUGE step in getting my message read! I'm always on the look-out for ways to get past the "gate-keeper" and Copy Doodles is the key!

I use it to first get their attention and then to guide them down my "slippery slope" right into the irresistible offer. Bottom line, Copy Doodles converts my leads into sales!"

Eric Paul..... Phoenixville, PA One of many testimonials on the benefit of using Mike Capuzzi's Copy Doodle Program. **Contact MIKE: Mike@CopyDoodles.com**
